Are You Working Your Way Around CC Licencing For Collections?

➡️ **Read This Page for _the Low Down_ on… Collections**

1 What is a Collection?

A collection contains various separate and unique works that have been gathered together to make a single, cohesive body of work (1). Examples include: an anthology of essays, a curated set of images or a complication of music tracks.

2 What are the licencing considerations?

You need to: a) keep them organised as separate objects, and b) provide attribution and licencing information individually for each - using the full TASL information (1,2).

When choosing the CC licence for your collection, use the CC licence chooser to choose the licence that best suits your needs (2).

Example Collection

Image Source: 'Lotus flower' (https://pngimg.com/image/69776), By Pngimg.com (pngimg.com). (CC BY-NC 4.0)(https://creativecommons.org/licenses/by-nc/4.0/deed.en).

Image Source: 'Dragonfly Tattoo Design' (https://www.deviantart.com/2face-tattoo/art/Dragonfly-Tattoo-Design-75999172), By 2Face-Tattoo(https://www.deviantart.com/2face-tattoo/gallery). (CC BY 3.0)(https://creativecommons.org/licenses/by/3.0/).

Collection: 'Transformation One'. By Gavin Keir. (CC BY-NC 4.0) (https://creativecommons.org/licenses/by-nc/4.0/deed.en).

(CC-BY 4.0, https://creativecommons.org/licenses/by-sa/4.0/deed.en). **2)** Unit 4: Using CC Licenses and CC-Licensed Works / 4.1 Choosing and Applying a CC License (https://certificates.creativecommons.org/cccertedu/chapter/4-1-choosing-and-applying-a-cc-license/) By Creative Commons. (CC-BY 4.0, https://creativecommons.org/licenses/by-sa/4.0/deed.en).

Are You Working Your Way Around CC Licencing For Adaptations and Remixes?

➥ Read This Page for *the Low Down* on… Remixes

1 What is a Remix?

A remix (also known as an adaptation or derivative) involves using one or more CC licenced (or Public Domain) works, to create a wholly new creation (1). Any of the works may have been altered, transformed or modified.

2 What are the licencing considerations?

You need to: a) provide all of the attribution and licencing information for of all the works used in your new work – the full TASL information (1,2).

Make sure your work is sufficiently original in order to add a CC licence. Do not use a CC licence that infringes upon existing licence conditions of the works you have used in your remix.

Example Remix

Remix: 'Transformation Two', is a derivative of 1) 'Lotus flower' (https://pngimg.com/image/69776), By Pngimg.com (pngimg.com), used under CC BY-NC 4.0 (https://creativecommons.org/licenses/by-nc/4.0/deed.en), and 2) 'Dragonfly Tattoo Design' (https://www.deviantart.com/2face-tattoo/art/Dragonfly-Tattoo-Design-75999172), By 2Face-Tattoo (https://www.deviantart.com/2face-tattoo/gallery), used under CC BY 3.0 (https://creativecommons.org/licenses/by/3.0/). 'Transformation Two' is licenced under CC BY-NC 4.0 (https://creativecommons.org/licenses/by-nc/4.0/deed.en) by Gavin Keir.
